

Binary Semantics[®]

Letter of Authorization from the Employee / Candidate

To whom so ever it may concern

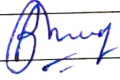

I hereby authorize Binary Semantics Limited or third party agency appointed by the Company to conduct background verifications to validate the information I have provided including but not limited to my employment, my personal background, professional standing, work history and qualifications etc.

I authorize, without reservations, any individual, company or other private or public entity to furnish to the Company or the third party agency appointed by the Company, all information about me

I release and hold harmless any individual, company, or private or public entity from any and all causes of action that might arise from furnishing such information to the Company or the third party agency appointed by the Company that they may request pursuant to this release.

This authorization and release, in original, faxed or photocopied form, shall be valid for this and any future reference.

I also certify that information provided above is accurate and can be verified by employment verification, bank account statements, IT etc. If any information found incorrect will not only lead to withdrawal of offer and appointment but also appropriate legal action.
